

# Five Easy Steps PRINTED ID CARDS

## Template Design

We'll work with you to create a master template design for your ID cards.

## Staff Photos

Already have photos? Great! Or you can use our free app to take and upload images.

## Data

We'll create a bespoke file for your data. Just fill this in with names, job titles or other information.

## Proofs

Before production, we'll supply a full colour PDF proof so you can check everything looks great.

## ID Cards Delivered

We'll get started on producing your cards and then ship them on a next business day service.
